As part of its anti-pandemic measures, the HKSAR Government announced that the Compulsory Quarantine of Persons Arriving at Hong Kong from Foreign Places Regulation (Cap.599E) will be extended to 18 September 2020. As such, it will become difficult for our overseas and Chinese mainland exhibitors and buyers to visit Hong Kong in July.

Despite the global pandemic, nearly 2,000 exhibitors have confirmed to join the physical exhibition of "Summer Sourcing Week" with more than 10,000 buyers registered from around the world with pent-up purchasing demands. In order to help suppliers, buyers and traders grasp the first possible chance for business, we will migrate the physical fair to a virtual platform under the name of **"Summer Sourcing Weeks | GO ONLINE"**.

Summer Sourcing Weeks | GO ONLINE - which features AI-enabled business matching and online meeting functions – is a not-to-be missed **ONE-STOP SHOP** for both lifestyle and tech-related products including Houseware, Home Textiles, Gifts & Premium, Fashion, Printing & Packaging, Electronics, ICT, Lighting, Medical & Healthcare. It will serve as a one-stop online sourcing solution connecting you with quality suppliers from around the world to tide you over the volatilities and challenges currently faced by the global supply chain.
